[C] The Sunday mornin' gospel goes good with the soul
There's [F] blues folk and country and rock like a rollin' [C] stone
The [Bb] world could come together as [C] one
If [Bb] everybody under the [C] sun
Would add some [F] music [G7] to your [C] day

[C] You'll hear it while you're walkin' by a neighbour's home
You'll [F] hear it faintly in the distance

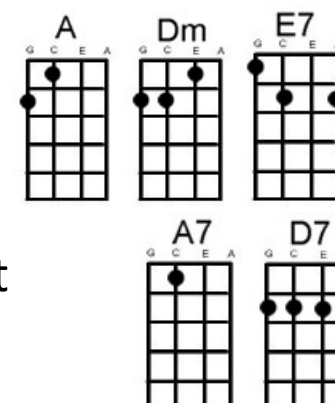

When you're on the [C] phone
You're [Bb] sittin' in a dentist's [C] chair
And [Bb] they've got music for you [C] there
To add some [F] music [G7] to your [C] day

[C] Add some music music everywhere
[F] Add some add some add some add some [C] music
Your [Bb] doctor knows it keeps you [C] calm
Your [Bb] preacher adds it to his [C] psalms
So add some [F] music [G7] to your [C] day

[Am] Music when you're a[Em]lone is like a com[A]panion
For your lonely [Dm] soul [E7] [A7] [D7] [G7]

[Cmaj7] When day is [Fmaj7] over
[Cmaj7] I close my [Fmaj7] tired eyes
[Am] Music is [G] in my [D7] soul [G7]

At a [C] movie you can feel it touching your heart
And on [F] every day of the summertime
You'll hear [C] children chasing ice cream carts
They'll [Bb] play it on your wedding [C] day
There [Bb] must be 'bout a million [C] ways
To add some [F] music [G7] to your [C] day
[C] Add some music to your day.....to your day
