

# Algebra Nina Persson

Hear this song at: [http://www.youtube.com/watch?v=nj\\_w\\_QLBXIU](http://www.youtube.com/watch?v=nj_w_QLBXIU) (play along in this key)

From: Richard G's Ukulele Songbook [www.scorpex.net/Uke](http://www.scorpex.net/Uke)

A0 E3 etc – single plucked notes at the string/fret position indicated

[A0] Why [E3] can't [E0] you [C2] just  
[C0] For [Dm] get about algebra  
[G7sus4] It's all about you [Cmaj7] now [A]  
And [A0] all [E3] your [E0] talk  
[C0] Of [Dm] logic and formula [G7sus4]  
Could never help you [Cmaj7] now not any [A] more  
Cause you were [Dm] always on the [G7] run  
From the [Cmaj7] darkness in your [A] heart  
So you [Dm] wear it on the [G7] outside of your [Cmaj7] chest  
[A0] I [E3] have [E0] ta [C2] ken [C0] the [Dm] liberty  
[G7sus4] To tell your ghost to [Cmaj7] go [A]  
Bribing them with [Dm] sunlight and sympathy [G7sus4]  
They promised not to [Cmaj7] show for a [A] while  
Cause you were [Dm] always the little [G7] boy  
Who couldn't [Cmaj7] keep it to your [A] self  
So your [Dm] heart is on the [G7] outside  
Of your [Cmaj7] chest [A]  
Solo: [Dm] [G7] [Cmaj7] [A] [Dm] [G7] [Am]  
[Tacet] At the speed of [Dm] light  
[G7] You moved inside my [Cmaj7] home [A]  
Nothing is al [Dm] right [G7] if you are still a [Cmaj7] lone [A]  
And your [Dm] heart is greater [G7] than  
The [Cmaj7] sum of you and every [A] one  
But still you're [Dm] always on the [G7] run  
From the [Cmaj7] poison in your [A] lungs  
So your [Dm] heart is on the [G7] outside of your [C] chest
