From: Richard G's Ukulele Songbook www.scorpexuke.net

[A] It coulda been me but it was [Asus4] you
Who [E7] went and bit off a [D] little bit more
Than [A] he could chew

[A] You said that you had it made but you been [Asus4] had
The [E7] woman no good no [D] how
Thinkin' maybe the [A] blood is bad

[A] Bad (bad) blood (blood) the [C] woman was born to lie
Makes [G] promises she can't keep with the wink of an [A] eye
[A] Bad (bad) blood (blood) [C] brother you've been deceived
It's [G] bound to change your mind about all you be[A]lieve

From where I [A] stand it looks mighty [Asus4] strange
How you [E7] let a woman like [D] that
Treat you like [A] small change

I don't under[A]stand what you're lookin' to [D] find
The [E7] only thing bad blood [D] do
Is mess up a [A] good man's mind (hear me talkin' now)

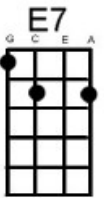

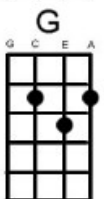

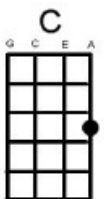

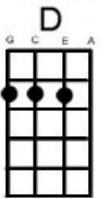

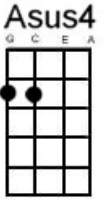

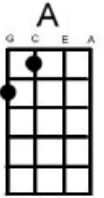

**Chorus 2: [A] Bad (bad) blood (blood) the [C] bitch is in her smile
The [G] lie is on her lips such an evil [A] child**

[A] Bad (bad) blood (blood) is [C] takin' you for a ride

The [G] only good thing about bad blood is lettin' it [A] slide

[A] Doo ron doo ron di di dit dit ron ron
[Asus4] Doo ron doo ron di di dit dit ron ron
[E7] Doo ron doo ron di di [D] dit dit ron ron
[A] Bad blood talkin' 'bout bad blood (first time)
[A] Bad blood (here we go) (second time)

} X 2

Repeat Chorus 2

The [G] only good thing about bad blood is lettin' it [A] slide
