When I'm [Bm] home [G] I [D] take things for [A] granted
Always [Bm] looking past the [G] good things I wear [D] distant [A] eyes
You can [Bm] see the restless [G] soul always [D] itching to [A] run
When I'm [Bm] home [G] when I'm [D] home [A]
[G] I don't want [A] nothing to [Bm] change I [G] just want it to stay the same

Well it's [Bm] been a long time been a long time yeah yeah [G] yeah
I missed you [D] been a long time been a long time yeah yeah [Dsus2] yeah
And I'm [Bm] steering in the fast lane counting every white line
To [G] kiss you in the morning and meet you when the sun [Bm] shines
Na [G] nanana [D] nanana [A] meet me in the sun [Bm] shine
Na [G] nanana [D] nanana [A]

When I'm a[Bm]lone [G] every [D] highway looks the [A] same
