

Brazos River

[C] The cool Ange[C7]lina runs [F] lofty and [C] gliding
The [C] crooked Colorado runs [D7] weaving and [G7] winding
Red [C] River runs [C7] rusty, the [F] Wichita [C] clear
But [C] down by the [F] Brazos I [G7] courted my [C] dear

[C] Lie lie lie [F] lee lee lee [C] give me your [G7] hand
[C] Lie lie lie [F] lee lee lee [C] give me [G7] your [C] hand
[C] Lie lie lie [F] lee lee lee [C] give me your [G7] hand
[C] There's many a [F] river that [G7] waters the [C] land

[C] She hugged me and she [C7] kissed me and [F] called me her [C] dandy
[C] The Brazos is muddy and [D7] sometimes quick [G7] sandy
She [C] hugged me and she [C7] kissed me and [F] called me her [C] own
But [C] down by the [F] Brazos she [G7] left me a[C]lone

[C] Lie lie lie [F] lee lee lee [C] give me your [G7] hand
[C] Lie lie lie [F] lee lee lee [C] give me [G7] your [C] hand
[C] Lie lie lie [F] lee lee lee [C] give me your [G7] hand
[C] There's many a [F] river that [G7] waters the [C] land

Now the [C] girls of them [C7] rivers they're [F] plump and they're [C] pretty
[C] The Supine and the Sulfur have [D7] many a [G7] beauty
I may [C] wander the [C7] rivers and [F] many a [C] shore,
But down by the [F] Brazos I'll [G7] wander no [C] more

[C] Lie lie lie [F] lee lee lee [C] give me your [G7] hand
[C] Lie lie lie [F] lee lee lee [C] give me [G7] your [C] hand
[C] Lie lie lie [F] lee lee lee [C] give me your [G7] hand
[C] There's many a [F] river that [G7] waters the [C] land
[C] There's many a [F] river that [G7] waters the [C] land
