[C] Break break shake break [Dm] break break away
[Gm7] Do what [C7] do what I [Fmaj7] wanna do
[Dm] [G7] [Gm7] [C] [D7]

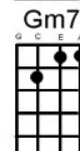

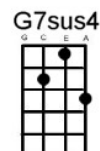

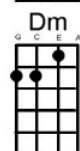

[Gm7] Time will not [C] wait for me [A7] time is my [Dm] destiny
[G] Why change the [C] part of me that has to be [Bb] free
[Gm7] The love that [C] passed me by [A7] I found no [Dm] reason why
[G] But now each [C] day is filled with the [Bb] love

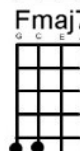

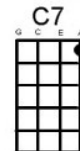

[Bb] That very same [Gm] love that passed me [Bbmaj7] by
And that is [G7sus4] why [G7]

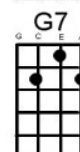

I can [C] breakaway from that [Dm] lonely life
And I can [Gm7] do [C7] what I [Fmaj7] wanna do
And [Dm] breakaway [G7] from that [Gm7] empty life
[C] And my [D7] world is new

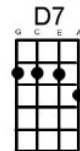

[Gm7] When I lay down [C] on my bed
[A7] I heard voices [Dm] in my head
[G] Telling me now [C] Hey it's only a [Bb] dream
[Gm7] The more I [C] thought of it [A7] I had been [Dm] out of it
[G] And here's the [C] answer I found in [Bb] stead

(Baby baby) [Bb] Found out it was in my [Gm] head
(Baby baby) Found out it was in my [Bbmaj7] head
(Baby baby) Found out it was in my [G7sus4] head [G7]

And I can [C] breakaway to the [Dm] better life
Where the [Gm7] shackles never [C7] hold me [Fmaj7] down
I'm gonna [Dm] make a way [G7] for each [Gm7] happy day
[C] As my [D7] life turns around

[Bb] Come on we're free to breakaway [Gm] breakaway
[Bb] Oh boy you jump for joy when you [Gm] breakaway
[Bb] Feel the vibrations in all the sensations [Gm] breakaway
[Bb] Feel the vibrations in all the sensations [Gm] breakaway
