

Brighter Than The Sun Colbie Caillat

Hear this song at: <http://www.youtube.com/watch?v=J0mXRUKBs2k> (play along in this key)

From: Richard G's Ukulele Songbook www.scorpexuke.com

[A] [D] [A] [D] [A] [D] [A] [D]

Stopped me on the [A] corner I swear you hit me like a [D] vision

I I wasn't ex[A]pecting

But who am [E7] I to tell fate where it's supposed to go [A] with it

Don't you blink you might [D] miss it

See we got a right to just [A] love it or leave it you find it and keep it

'Cause [E7] it ain't every day you get the chance to say

Chorus: [A] Oh this is how it [D] starts lightning strikes the [A] heart

It goes off like a [E7] gun brighter than the sun

[A] Oh we could be the [D] stars falling from the [F#m] sky

Shining how we [E7] want (tacet) brighter than the sun [A] [D] [A] [D]

I've never [A] seen it but I found this love I wanna [D] feed it

You better believe I'm gonna [A] treat it better than anything I've [E7] ever had

'Cause you're so damn beautiful

[A] Read it it's signed and delivered let's [D] seal it

Boy we go together like [A] peanuts and paydays Marley and reggae

And [E7] everybody needs to get a chance to say

Repeat chorus

[F#m] Everything is like a whiteout [D] 'cause we shicka shicka shine down

[A] Even when the when the light's out [E7] but I can see you glo[F#m]w

Got my head up in the rafters [D] got me happy ever after

[Bm] Never felt this way before ain't [scratch D] felt this way before

I [scratch A] swear you hit me like a [scratch D] vision

I I wasn't ex[scratch A]pecting but who am [scratch E7] I to tell fate

Where it's supposed to [A] go

Oh this is how it [D] starts lightning strikes the [A] heart

It goes off like a [E7] gun brighter than the sun

[A] Oh we could be the [D] stars falling from the [F#m] sky

Shining how we [E7] want (tacet) brighter than the sun [A]

[A] Oh this is how it [D] starts lightning strikes the [A] heart

It goes off like a [E7] gun brighter than the sun

[A] Oh we could be the [D] stars falling from the [F#m] sky

Shining how we [E7] want (tacet) brighter than the [A] sun

[A] Brighter than the [D] sun [A] brighter than the [D] sun

[A] Brighter than the [D] sun [A]
