[Gm] Bus stop wet day she's there I say please share [F] my um[Gm]brella
Bus stop bus go she stays love grows under [F] my um[Gm]brella

[Bb] All that [F] summer [Gm] we enjoyed it

[Cm] Wind and rain and [Dm] shine

[Gm] That umbrella we employed it by August [F] she was [Gm] mine

[Bb] Every morning [A7] I would see her [Dm] waiting at the [Bb] stop

Sometimes she'd [Gm] shop

And she would [A7] show me what she [Dm] bought [D]

[Bb] All the people [A7] stared

As if we [Dm] were both quite in[Bb]sane

Someday my [Gm] name and hers are [A7] going to be the [Dm] same

[Gm] That's the way the whole thing started silly [F] but it's [Gm] true

Thinking of a sweet romance beginning [F] in a [Gm] queue

[Bb] Came the [F] sun the [Gm] ice was melting

[Cm] No more sheltering [Dm] now

[Gm] Nice to think that that umbrella led me [F] to a [Gm] vow

Sometimes she'd [Gm] shop

And she would [A7] show me what she [Dm] bought [D]

As if we [Dm] were both quite in[Bb]sane
