[C] On my way to sunny California on my way to spend another sunny day

[C] Water water get yourself in the cool clear water

The [F] sun shines brightly down on Penny's [C] place

(The sun shines brightly down on the bay)

The [F] air's so clean it'll just take your mind a[C]way

Take your mind a[G]way take your mind a[F]way

Have you [C] ever been south of Monterey barrancas carve the [F] coast line

And the [G] chaparral flows to the sea 'neath waves of golden [C] sunshine

And have you [C] ever been north of Morro Bay

The south coast plows the [F] sea

And the [G] people there are of the breed they don't need electrici[C]ty [C]

[C] Water water (get yourself in that) cool cascades of clear clear water

The [F] sun dance final scene sets the hills a[C]blaze

(Get yourself in that water)

Ho[F]rizon edges quick up the mountain's [C] way

Up the mountain's [G] way up the mountain's [F]way

Have you [C] ever been down Salinas way

Where Steinbeck found the [F] valley

And he [G] wrote about it the way it was in his travellings with [C] Charley

And have you [C] ever walked down through the sycamores

Where the farmhouse used to [F] be

There the [G] monarch's autumn journey ends

On a windswept cyprus [C] tree [C]

[C] Water water (get yourself in that) get yourself in that cool clear water

The [F] sun shines brightly down on Penny's [C] place

(Get yourself in that water)

The [F] air's so clean that it just takes your mind a[C]way

Takes your mind a[G]way takes your mind a[F]way

Have you [C] ever been to a festival the Big Sur congre[F]gation

Where [G] Country Joe will do his show and sing about liber[C]ty

And the [G] people there in the open air are one big fami[C]ly

Yeah the [G] people there love to sing and share their new found liber[C]ty
