I [F] just flew in from [Am] out a town  
You're [Bb] all alone so I'm [F] coming around  
And [Bb] I'm not one to let somebody [C7] down  
If [F] I'm too fast then [Am] you're too slow  
And you [Bb] wonder why I'm [F] rearing to go  
[Bb] There's one thing I think you ought to [C7] know oh  
[F] I'm no ordinary man  
I've got an [Bb] extra[Am]ordinary [Gm] plan [C7]  
[F] I'm Captain [A] Zero the [Dm] original super [Bb] hero  
[F] I'm a super[C7]natural [F] man  
I [F] know you've not seen [Am] me before  
[Bb] And in case you're [F] not too sure  
I'll [Bb] be your super lover and what's [C7] more  
I can [F] travel faster than the [Am] speed of sound  
I can [Bb] leap a tall building with a [F] single bound  
[Bb] And by now I'm sure you would've [C7] found  
[F] I'm no ordinary man  
I've got an [Bb] extra[Am]ordinary [Gm] plan [C7]  
[F] I'm Captain [A] Zero the [Dm] one and only [Bb] super hero  
[F] I'm a super[C7]natural [F] man  
[F] Well I'm much stronger than [Am] Superman  
I can [Bb] beat the Lone Ranger with a [F] single hand  
[Bb] Now I know that you know who I [C7] am  
[F] I'm no ordinary man  
I've got an [Bb] extra[Am]ordinary [Gm] plan [C7]  
[F] I'm Captain [A] Zero  
The one and [Dm] only spaced out [Bb] super hero  
[F] I'm a super[C7] natural [F] man I'm a super[C7] natural [F] man  
Yes [F] I'm a super[C7]natural [F] man oh yes I am
