[G] Coin operated boy sitting on the [D7] shelf he is just a toy

But I turn him [Am] on and he comes to life

Automatic [D] joy that is why I want a [G] coin operated boy

[Am] Made of plastic and elastic [C] he is rugged and long lasting

[Am] Who could ever ever ask for [C] more

[Am] Love without complications ga[C]lore

[Am] Many shapes and weights to choose from

[C] I will never leave my bedroom

[Am] I will never cry at night a[C]gain

[Am] Wrap my arms around him and pre[C]tend [F] [D]

[G] Coin operated boy all the other [D7] real ones that I destroy

Cannot hold a [Am] candle to my new boy and I'll

Never let him [D] go and I'll never be alone not with my [G] coin operated boy

[C] This bridge was [D7] written to [Bm] make you feel [C] smittener

[C] With my sad [D7] picture of [Bm] girl getting [C] bitterer

[C] Can you ex[D7]tract me from [Bm] my plastic [C] fantasy

[C] I didn't [D7] think so but [Bm] I'm still con[C]vinceable

[C] Will you per[D7]sist even [Bm] after I [C] bet you

[C] A billion [D7] dollars that [Bm] I'll never [C] love you

[C] Will you per[D7]sist even [Bm] after I [C] kiss you

[C] Goodbye for the [D7] last time

Will [Bm] you keep on [A] trying to [C] prove it?

I'm [A] dying to [C] lose it I'm [A] losing my [C] confidence

[A] I want it [C] I want it [A] I want it [C] I want you [A] I want you [C] I want you

[A] I want a [C] I want a [A] I want a [C] I want a [G] coin operated boy [Am] [C]

[Am] And if I had a star to wish on [C] for my life I can't imagine

[Am] Any flesh and blood could be his [C] match

[Am] I can even take him in the [C] bath [F] [D]

[G] Coin operated boy he may not be [G7] real experienced with girls

But I know he [Am] feels like a boy should feel

Isn't that the [D] point that is why I want a

[G] Coin operated boy with a pretty [D7] coin operated voice

Saying that he [Am] loves me that he's thinking of me

Straight and to the [D] point that is why I want a [G] coin operated boy
