I'm [F] mopin' around [F7] streets late at night
I'm [F] worried because you ain't [F7] treatin' me right
[Bb] Come back again [Eb] I'm just crazy 'bout you [F] babe
I [F] spoke to your mum and I [F7] spoke to your dad
[F] They said I was crazy, [F7] made me feel sad
[Bb] Come back again [Eb] I'm just crazy 'bout you [F] babe
[F] Feelin' so sad, so lonely too
[F] You don't know how it is to feel [F7] sad and lonely an' blue
[Bb] Come back again [Eb] I'm just crazy 'bout you [F] babe
[F] I spoke to your dad and I [F7] spoke to your mum
[F] They said go away boy and [F7] leave us alone
[Bb] Come back again [Eb] I'm just crazy 'bout you [F] babe
[F] I really don't know what to do
Everything you say just [F7] makes me feel blue
[Bb] Come back again [Eb] I'm just crazy 'bout you [F] babe
[F] I went to the dance, but I [F7] went all alone
[F] I watched you dancin' then I [F7] followed you home
[Bb] Come back again [Eb] I'm just crazy 'bout you [F] babe
I'm [F] mopin' around [F7] streets late at night
I'm [F] worried because you ain't [F7] treatin' me right
[Bb] Come back again [Eb] I'm just crazy 'bout you [F] babe
[F] I really don't know what to do
Everything you say just [F7] makes me feel blue
[Bb] Come back again [Eb] I'm just crazy 'bout you [F] babe
[Bb] Come back again [Eb] I'm just crazy 'bout you [F] babe
[Bb] Come back again [Eb] I'm just crazy 'bout you [F] babe
