[Gmaj7] I found her diary under[Fadd9]neath a tree

[Am] And started [Am/C] reading a[G]bout me

[Gmaj7] The words she'd written took me [Fadd9] by surprise

[Am] you'd never [Am/C] read them in her [G] eyes

[Edim] They said that [G] she had found

The [D7] love she [B7] waited [Em] for [G7]

[C] Wouldn't you [G] know it [C] she wouldn't [G] show it

[Gmaj7] Then she confronted with the [Fadd9] writing there

[Am] Simply pre[Am/C]tended not to [G] care

[Gmaj7] I passed it off as just in [Fadd9] keeping with

[Am] Her total [Am/C] disconcerting [G] air

[Edim] And though she [G] tried to hide

The [D7] love that [B7] she de[Em]nied [G7]

[C] Wouldn't you [G] know it [C] she wouldn't [G] show it

[D7] [B7] And as [Em] I go [G7] through my [C] life

[Am] I will [D] give to [Am6] her my [G] wife

[G] All the [C] sweet things I can [B7] find....

[Gmaj7] I found her diary under[Fadd9]neath a tree

[Am] and started [Am/C] reading a[G]bout me

[Gmaj7] The words began to stick and [Fadd9] tears to flow

[Am] Her meaning [Am/C] now was clear to [G] see

[Edim] The love she'd [G] waited for

Was [D7] someone [B7] else not [Em] me [G7]

[C] Wouldn't you [G] know it [C] she wouldn't [G] show it

[D7] [B7] And as [Em] I go [G7] through my [C] life

[Am] I will [D] wish for [Am6] her his [G] wife

All the [C] sweet things she can [G] find

[G] All the [C] sweet things [D] they can [G] find
