[G] Dizzy [C] [E7] I'm so [A] dizzy [D] my head is [E7] spinning
Like a [A] whirlpool [D] it never [E7] ends
And it's [A] you girl [D] makin' it [E7] spin
You're making me [Bb] dizzy [Eb] [F] [Eb]

[Bb] First time that I [Eb] saw you girl
I [F] knew that I just [Eb] had to make you [Bb] mine [Eb] [F] [Eb]
But [Bb] it's so hard to [Eb] talk to you
With [F] fellows hangin' [Eb] round you all the [Bb] time [Eb] [F] [Eb]
[F] I want you for my sweet pet but [Eb] you keep playing hard to get
I'm [Bb] going round in circles all the [D7] time

[G] Dizzy [C] [E7] I'm so [A] dizzy [D] my head is [E7] spinning
Like a [A] whirlpool [D] it never [E7] ends
And it's [A] you girl [D] makin' it [E7] spin
You're making me [Bb] dizzy [Eb] [F] [Eb]

I [Bb] finally got to [Eb] talk to you
And I [F] told you just ex[Eb]actly how I [Bb] felt [Eb] [F] [Eb]
[Bb] Then I held you [Eb] close to me
And [F] kissed you and my [Eb] heart began to [Bb] melt [Eb] [F] [Eb]
[F] Girl you've got control on me coz [Eb] I'm so dizzy I can't see
I [Bb] need to call a doctor for some [D7] help

[G] Dizzy [C] [E7] I'm so [A] dizzy [D] my head is [E7] spinning
Like a [A] whirlpool [D] it never [E7] ends
And it's [A] you girl [D] makin' it [E7] spin
You're making me [Bb] dizzy [Eb] my head is [F] spinning
Like a [Bb] whirlpool [Eb] it never [F] ends
And it's [Bb] you girl [Eb] makin' it [F] spin you're making me [Bb] dizzy
