From: Richard G's Ukulele Songbook [www.scorpex.net/Uke](http://www.scorpex.net/Uke)

**Chorus:** [G] *Don't let the stars get in your eyes*  
*Don't let the moon break your [D7] heart*  
*Love blooms at night*  
*In daylight it dies don't let the stars get in your [G] eyes*  
*So keep your heart for me for some day I'll return*  
*And you know you're the only [D7] one I'll ever [G] love*

[G] Too many nights (too many nights)  
Too many stars (too many stars)  
Too many moons could change your [D7] mind  
(Don't let the moon change your mind)  
If I'm gone too long don't forget where you belong  
When the stars come out remember you are [G] mine

## Chorus

[G] Too many miles (too many miles)  
Too many days (too many days)  
Too many nights to be a [D7] lone  
(Too many nights all alone)  
So please keep your heart while we are apart  
Don't you linger in the moonlight while I'm [G] gone

## Chorus

[D7] You're the only one.....I'll ever [G] love
