[G] I'll pack up all my things and walk away
I don't want to hear another word you have to [D] say [D7]
[G] I've been waiting [G7] for so long
I [C] just found out there's something wrong
[G] Nothing will get [Am] better [D] if I [G] stay

Verse 2: [G] There's no need to explain any more
I tried my best to love you now I'm walkin' out the [D] door [D7]
You [G] used me you've de[G7]ceived me
And you [C] never seem to [Cm] need me
But I'll [G] bet you won't for[Am]get me [D] when I [G] go
[G] Seems I've been lost in a dream pretending that you care
And now I've opened up my eyes
And found it's [D] all been just a [D7] great big fairy[G]tale [G7]
I've been [C] lovin' you so long
Don't think I'll even know how to for[G]get you
But now the [C] way that things have been
I think I'm better off alone than to be [D] with you [D] [D!]
(Tacet) You don't love me it's plain to see

Repeat Verse 2

[G] Seems I've been lost in a dream pretending you were mine
Someday you'll open up your eyes and rea[D]lize
That a good [D7] woman's hard to [G] find
[G] Yes I've been lost in a dream pretending that you care
And now I've opened up my eyes
And found it's [D] all been just a [D7] great big fairy[G!]tale
