[G] Her green plastic watering can [Em7]
For her fake Chinese ru[D7]bber [C] plant
In the fake [G] plastic [C] earth
[G] That she bought from a rubber man [Em7]
In a town full of ru[D7]bber [C] plans to get [G] rid of it[C]self
It wears her [Am] out it wears her [G] out
It wears her [Am] out it wears her [G]out
[G] She lives with a broken man [Em7]
A cracked polysty[D7]rene man [C]
Who just [G] crumbles and [C] burns
[G] He used to do surgery [Em7] for girls in the [D7] eigh[C]ties
But gravity [G] always [C] wins
And it wears him [Am] out it wears him [G] out
It wears him [Am] out it wears [G] him
[G] She looks like the real thing [Em7]
She tastes like the re[D7]al [C] thing my fake [G] plastic [C] love
[G] But I can't help the feeling [Em7]
I could blow through the [D7] cei[C]ling if I [G] just turn and [C] run
And it wears me [Am] out it wears me [G] out.
It wears me [Am] out and it wears [G] me
And if I could [Em7] be who you wanted
If I could [G] be who you wanted
All the [Am] time all the [G] time all the [Am] time all the [G] time
All the [Am] time all the [G] time
