From: Richard G's Ukulele Songbook [www.scorpex.net/Uke](http://www.scorpex.net/Uke)

[G] Hide in your [A9] shell cos the [Bm] world is out to [A9] bleed you  
For a [C] ride what will you [Am] gain making your [F] life a little [C] longer  
[G] Heaven or [A9] hell

Was the [Bm] journey cold that [A9] gave your eyes of [C] steel  
Shelter be[Am]hind painting your [F] mind and playing [C] joker

Too [B7] frightening to listen to a [Em] stranger  
Too [B7] beautiful to put your pride in [Em] danger  
You're [C] waiting for someone to under[F]stand you

But you've got [D] demons in your closet [Dsus4]  
And you're [D] screaming out to stop it [Dsus4]  
Saying [D] life's begun to cheat you [Dsus4] friends are out to beat you  
[D7sus4] Grab on to what you can [D7] scramble for

**Chorus:** *Don't let the [Bm] tears linger on in[Em]side now*

*Cos it's [Bm] sure time you gained con[Em]trol*

*If I can [Am] help you if I can [Am7\*] help you*

*If I can [F] help you just let me [Dsus4] know [D]*

*Well let me [Bm] show you the nearest [Em] signpost*

*To get your [Bm] heart back and on the [Em] road*

*If I can [Am] help you if I can [Am7\*] help you*

*If I can [F] help you just let me [D] know*

[G] All through the [A9] night

As you [Bm] lie awake and [A9] hold yourself so [C] tight

What do you [Am] need a second-hand [F] movie star to [C] tend you

[G] I as a [A9] boy I be[Bm]lieved the saying the [A9] cure for pain was [C] love

How would it [Am] be if you could [F] see the world through [C] my eyes

Too [B7] frightening the fire's getting [Em] colder

Too [B7] beautiful to think you're getting [Em] older

You're [C] looking for someone to give an [F] answer

But what you [D] see is an illusion [Dsus4]

You're su[D]rrounded by confusion [Dsus4]

Saying [D] life's begun to cheat you [Dsus4] friends are out to beat you

[D7sus4] Grab on to what you can [D7] scramble for

**Repeat chorus** and first three lines of verse 1
