Intro: [Am] [Dm] [Dm6] [E7] [Am] [Am] [Am7] [F] [E7] [E7sus4] [E7]....

It [Dm] isn't the way that you [Am] look

And it [Dm] isn't the way that you [Am] talk

It [F] isn't the things that you [Dm] say or do make me [E7] want you so [Am]

It is [Dm] nothing to do with the [Am] wine

Or the [Dm] music that's flooding my [Am] mind

But [F] never before have I [Dm] been so sure

You're the [Dm6] someone I dreamed I would [E7] find

It's the [A] way you make me [D] feel the moment [E7] I am close to [A] you

It's a feeling so un[D]real somehow I [E7] can't believe it's [C#7] true

The [F#m] pounding I feel in my [C#7] heart

The [D] hoping that we'll never [A] part

I [Bb] can't believe this is [F] really [G] happening to [A] me

[Am] I close my [Am7] eyes and count to [F] ten

And when I [E7] open them you're still [Am] here

I close my [Am7] eyes and count a[F]gain

I can't be[E7]lieve it but you're still here....

We were [Dm] strangers a moment a[Am]go

With a [Dm] few dreams but nothing to [Am] show

The [F] world was a place with a [Dm] frown on its face

And to[Dm6]morrow was just I don't [E7] know

But the [A] way you make me [D] feel the moment [E7] I am close to [A] you

Makes today seem so un[D]real

Somehow I [E7] can't believe it's [C#7] true

To[F#m]morrow will you still be [C#7] here

To[D]morrow will come but I [A] fear

That [Bb] what is happening to [F] me is [G] only a [A] dream

[Am] I close my [Am7] eyes and count to [F] ten

And when I [E7] open them you're still [Am] here

I close my [Am7] eyes and count a[F]gain

I can't be[E7]lieve it but you're still [Am] here

[Am] I close my [Am7] eyes and count to [F] ten

And when I [E7] open them you're still [A] here
