Intro: [Dm] [Gm] [Gm6] [A7] [Dm] [Dm] [Dm7] [Bb] [A7sus4] [A7]....

It [Gm] isn't the way that you [Dm] look

And it [Gm] isn't the way that you [Dm] talk

It [Bb] isn't the things that you [Gm] say or do make me [A7] want you so [Dm]

It is [Gm] nothing to do with the [Dm] wine

Or the [Gm] music that's flooding my [Dm] mind

But [Bb] never before have I [Gm] been so sure

You're the [Gm6] someone I dreamed I would [A7] find

It's the [D] way you make me [G] feel the moment [A7] I am close to [D] you

It's a feeling so un[G]real somehow I [A7] can't believe it's [F#7] true

The [Bm] pounding I feel in my [F#7] heart

The [G] hoping that we'll never [D] part

I [Eb] can't believe this is [Bb] really [C] happening to [D] me

[Dm] I close my [Dm7] eyes and count to [Bb] ten

And when I [A7sus4] open them [A7] you're still [Dm] here

I close my [Dm7] eyes and count a[Bb]gain

I can't be[A7sus4]lieve it but you're still [A7] here....

We were [Gm] strangers a moment a[Dm]go

With a [Gm] few dreams but nothing to [Dm] show

The [Bb] world was a place with a [Gm] frown on its face

And to[Gm6]morrow was just I don't [A7] know

But the [D] way you make me [G] feel

The moment [A7] I am close to [D] you

Makes today seem so un[G]real

Somehow I [A7] can't believe it's [F#7] true

To[Bm]morrow will you still be [F#7] here

To[G]morrow will come but I [D] fear

That [Eb] what is happening to [Bb] me is [C] only a [D] dream

[Dm] I close my [Dm7] eyes and count to [Bb] ten

And when I [A7sus4] open them [A7] you're still [Dm] here

I close my [Dm7] eyes and count a[Bb]gain

I can't be[A7sus4]lieve it but [A7] you're still [Dm] here

[Dm] I close my [Dm7] eyes and count to [Bb] ten

And when I [A7sus4] open them [A7] you're still [D] here
