Intro: [E7] [F] [E7] [F] [E7] [F] [E7] [F]

I [E7] scare myself just [F] thinking about you

I [E7] scare myself [F] when I'm without you

I [E7] scare myself the [F] moment that you're gone

I [E7] scare myself and [F] I let my thoughts run

[C7] And when they're running

I keep thinking of [B7] you [Edim]

[C7] And when they're running what can I [E7] do [F] [E7] [F]

I [E7] scare myself and [F] I don't mean lightly

I [E7] scare myself [F] it can get frightening

I [E7] scare myself to [F] think what I could do

I [E7] scare myself it's [F] some kind of voodoo...

[C7] And with that voodoo

I keep thinking of [B7] you [Edim]

[C7] And with that voodoo what can I [E7] do [F] [E7] [F]

But it's so [E7] so very different [F] when we're together

And I'm so [E7] so much calmer [F] I feel better

'Cause the [E7] stars already crossed our [F] paths forever

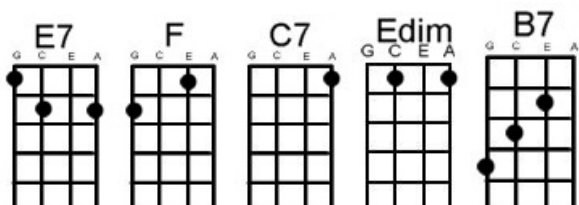

And the [E7] sooner that you realise [F] it the better

And then I'll [E7] be with you and [F] I won't scare myself

And I'll [E7] know what to do and [F] I won't scare myself

And my [E7] thoughts will run and [F] I won't scare myself

And I'll [E7] think of you and [F] I won't scare myself
