Intro: [G] [Em7] [G] [Em7]

[G] I can still recall the [Em7] time
[G] She said she was always [Em7] mine
Then she [A] left as people [G] do
And for[A]get what we've been [G] through
[G] It's not that she's gone a[Em7]way
[G] It's the things I hear she has [Em7] got to say
About [A] me and about my [G] friends when we've [A] got no de[G]fence
That's [D] her I'll never believe her a[C]gain
She might have deceived all my [D] friends
I know they will see in the [C] end what it all means when she [B7] says

[E7] Ah ah ah [G] ah ah ah I [C] want you [A] back
[E7] Ah ah ah [G] ah ah ah I [C] want you [A] back
[E7] Ah ah ah [G] ah ah ah [C] I want [A] you
She [E7] says she [G] says she [C] says she [A] says

[G] [Em7] [G] [Em7] But what's [A] worse she thinks it's [G] true
But that's just [A] her she always was [G] a little bit confused
[A] She's not worth the ti[G]me I had to lose

That's [D] her I'll never believe her a[C]gain
She might have de[D]ceived my friends
[C] I know they'll see what it means when she [B7] says

[E7] Ah ah ah [G] ah ah ah I [C] want you [A] back
[E7] Ah ah ah [G] ah ah ah I [C] want you [A] back
[E7] Ah ah ah [G] ah ah ah [C] I want [A] you
She [E7] says she [G] says she [C] says she [A] says
She [E7] says she [G] says I [C] want you [A] back
She [E7] says she [G] says I [C] want you
And [A] only [E7] you [G] [C] [A]
She [E7] says she [G] says she [C] says she [A] says [E7]
