Intro:

[Dm] [F] [Bb] [F] [Dm] [F] [C] [C] [Dm] [F] [A7] [Dm] [Bb] [Bbm] [F]

[F] Love of mine someday [Dm] you will die

But I'll be [Bb] close behind

I'll follow [F] you into the [C] dark

No [F] blinding light or tunnels to [Dm] gates of white

Just our hands [Bb] clasped so tight

Waiting [F] for the hint of a [C] spark

Chorus: *If [Dm] heaven and hell de[F]cide*

That they [Bb] both are satis[F]fied

Ill[Dm]uminate the [F] "nos" on their [C] vacancy signs

If [Dm] there's no one be[F]side you

When your [A7] soul em[Dm]barks

Then [Bb] I will follow [Bbm] you into the [F] dark

[F] Catholic school as vicious as [Dm] roman rule

I got my [Bb] knuckles bruised by a [F] lady in [C] black

And I [F] held my tongue as she [Dm] told me son

Fear is the [Bb] heart of love so I [F] never went [C] back

Repeat Chorus

[F] You and me have seen every[Dm]thing to see

From Bangkok to [Bb] Calgary

And the [F] soles of your [C] shoes

Are [F] all worn down the time for [Dm] sleep is now

But it's nothing to [Bb] cry about

Because we'll [F] hold each other [C] soon

In the [Dm] blackest of [Bb] rooms.....

Repeat Chorus [Dm]

Then [Bb] I will follow [Bbm6] you into the [F] dark
