From: Richard G's Ukulele Songbook www.scorpexuke.com

Intro: [G] [C] [G] [D7]

[G] If I didn't have a dime and I didn't take the time

To play the [C] juke box

Whoa-o-o [G] Saturday night would have been a

[D7] Sad and lonely night for [G] me

[G] And if you weren't standing there ruby lips and golden hair

Beside the [C] juke box

Whoa-o-o [G] I'd have lost my chance to

[D7] Hold you while you danced with [G] me [D7] uh [G] huh

While the records [D7] turned (**and turned**) and turned (**and turned**)

We danced (**we danced**) and learned (**and learned**)

Our [G] hearts (**our hearts**) had yearned (**had yearned**) for this

Neath the moon we [D7] walked (**we walked**) and walked (**and walked**)

And talked (**and talked**) of love (**of love**) and [G] then

We [D] ki[A7]i[D7]ssed

Now with [G] every sweet caress oh my darlin' how I bless

That little [C] juke box

Whoa-o-o [G] love songs that they sing wouldn't [D7] mean a single thing

Even [G] though you're standing there ruby [D7] lips and golden hair

If I [G] didn't have a dime and I [D7] didn't take the time

To play the [G] juke box

[G] Mmmmmm [C] mmmm [G] La la la la la [D7] la la la la la [G] la

Now with [G] every sweet caress

Oh my darlin' how I bless that little [C] juke box

Whoa-o-o [G] love songs that they sing wouldn't [D7] mean a single thing

Even [G] though you're standing there ruby [D7] lips and golden hair

If I [G] didn't have a dime and I [D7] didn't take the time

To play the [G] juke box

Outro: [G] [C] [G] [D7] [G]
