From: Richard G's Ukulele Songbook www.scorpex.net/Uke

Intro: [G] Just movin' movin' along just movin' movin' along

[G] Well I'm chasing the blues right out of my mind

I'm [C] leavin' my cares and worries behind

Cause [D7] I'm on my way I'm leavin' town to [G] day

(Just movin' movin' along)

[G] My lonesome old heart is broken in two

I've been [C] walking the floor every night over you

But our [D] love is all gone I'm movin' on

[A7] I'm a leavin' [D7] town [G] today

I got no [C] love no cares just heartaches

I'm [G] leavin' them all behind

Like the [Em] sun and the moon and the stars above

We're [A7] gonna be one of a [D7] kind

Well I'm [G] movin' along I gotta be free

I'll [C] find a new love wherever I'll be

But my [D] old love is gone I'm movin' on

[A7] I'm a leavin' [D7] town to [G] day

I got no [C] love no cares just heartaches

I'm [G] leavin' them all behind

Like the [Em] sun and the moon and the stars above

We're [A7] gonna be one of a [D7] kind

Well I'm [G] movin' along I gotta be free

I'll [C] find a new love wherever I'll be

But my [D] old love is gone I'm movin' on

[A7] I'm a leavin' [D7] town to [G] day

I'm [A7] leavin' this [D7] town to [G] day

(Just movin' movin' along just movin' movin' along)
