From: Richard G's Ukulele Songbook [www.scorpex.net/Uke](http://www.scorpex.net/Uke)

[C] Leaves were falling just like embers  
In colours red and gold they set us on [F] fire  
Burning just like a [C] moonbeam in our eyes

[G] Somebody said they saw me  
[C] Swinging the world by the [F] tail  
Bouncing over a [C] white cloud [G] killing the [C] blues

[C] I am guilty of something  
I hope you never do because there is [F] nothing  
Sadder than [C] losing yourself in love

[G] Somebody said they saw me  
[C] Swinging the world by the [F] tail  
Bouncing over a [C] white cloud [G] killing the [C] blues

[C] Now you ask me just to leave you  
To go out on my own and get what I [F] need to  
You want me to [C] find what I've already had

[G] Somebody said they saw me  
[C] Swinging the world by the [F] tail  
Bouncing over a [C] white cloud [G] killing the [C] blues

[G] Somebody said they saw me  
[C] Swinging the world by the [F] tail  
Bouncing over a [C] white cloud [G] killing the [C] blues

Chorus in the John Prine version is slightly different: [G] Somebody said they saw me [F] Swinging the world by the tail Bouncing over a [C] white cloud [G] Killing the [C] blues
