From: Richard G's Ukulele Songbook www.scorpex.net/Uke

Go [C] [C] I'm gonna [C] wake you up early
Cause I'm gonna take a ride with you
We're going [F] down to the Honda shop
I'll tell you what we're gonna [C] do
Put on a [G] ragged sweatshirt
I'll take you anywhere you want me [C] to [G]

Chorus: First [C] gear it's al[F]right

(Honda Honda) (faster faster)

Second [C] gear a lean [F] right

(Little Honda Honda) (faster faster)

Third [C] gear hang on [F] tight

(Honda Honda)

(faster faster)

[G] Faster....(it's alright)

It's not a [C] big motorcycle just a groovy little motorbike It's more [F] fun than a barrel of monkeys
That two wheel [C] bike
We'll ride on [G] out of the town
To any place I know you [C] like [G]

Repeat Chorus

It climbs the [C] hills like a Matchless
Cause my Honda's built really light
When I go [F] into the turns lean with me and hang on [C] tight
I better [G] turn on the lights
So we can ride my Honda to [C] night [G]

Repeat Chorus x 2 Last line of second chorus: [G] Faster.....(it's alright) [C]
