[G///] A2C2E0E3 [G/] [Gsus4///] x 3    [G///] A2C2E0E3 [G]

[C] Me and Magda[Em7]lena

We're driving south through [G] Monterey

[C] As the sun is slowly [Em7] sinking

Into a distant [G] ocean wave

And I [D] don't know if I've ever [C] loved any other [G]

Half as [D] much as I do in this [C] light she's under [G]

[C] Tell me Magda[Em7]lena

What do you see in the [G] depths of your night

[C] Do you see your long lost [Em7] father

Does he hold you with the hands

You re[G]member as a child

But know [D] everything lost will [C] be recovered [G]

When you [D] drift into the arms of the [C] undiscovered [G]

And I [Em] don't know if I've ever [C] loved any other [G]

Half as [D] much as I do in this [C] light she's under [G]

[C!] Me and Magda[G!]lena

Always leaving early and [G] sleeping late

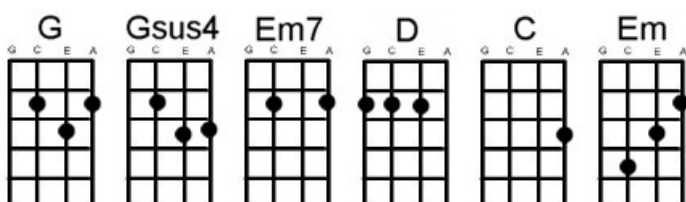

[C] Secluded in the [G] canyon lost within a turn of fate

But know [D] everything lost will [C] be recovered [G]

When you [D] drift into the arms of the [C] undiscovered [G]

And I [Em] don't know if I've ever [C] loved any other [G]

Half as [D] much as I do in this [C] light she's under [G!]

Play the intro riff when resting on G between lines/verses
