[Gm] I live on the west side

[Eb] She lives on the [F] east side of the [Bb] street [Cm] [D7]

And [Gm] though they say that east is east

And [Eb] west is west

And [F] never the twain shall [Bb] meet [Bb7]

Each [Eb] morning I face her [D7] window

And [Eb] pray that our love can [D7] be

Cause that [Gm] brownstone house where my [Eb] baby lives

Is [Gm] Mecca [D7] Mecca to [Gm] me

[Gm] Though she's my dream goddess

[Eb] And her ruby [F] lips are so di[Bb]vine [Cm] [D7]

And [Gm] though her folks say we're too young

To [Eb] know of love I [F] worship at her [Bb] shrine [Bb7]

Each [Eb] morning I face her [D7] window

And [Eb] pray that our love can [D7] be

'Cause that [Gm] brownstone house where my [Eb] baby lives

Is [Gm] Mecca [D7] Mecca to [Gm] me
