

# Miner's Life

From Richard G's Ukulele Songbook [www.scorpex.net/uke.htm](http://www.scorpex.net/uke.htm)

[F] Miner's life is like a sailor's [F7]  
Aboard a [Bb] ship to cross the [F] waves  
Every [F] day his life's in danger  
Still he [G7] ventures being [C7] brave  
Watch the [F] rocks they're falling daily [F7]  
Careless [Bb] miners always [F] fail  
Keep your hand upon the [Dm] dollar  
And your [F] eye [C7] upon the [F] scale [F7]

Chorus:

*Union [Bb] miners stand to[F]gether  
Heed no [F] operator's [C7] tale  
Keep your [F] hand [F7] upon the [Bb] dollar [Bbm]  
And your [F] eye [C7] upon the [F] scale*

[F] You've been docked and docked again boy [F7]  
You've been [Bb] loading two for [F] one  
What have [F] you to show for [F] working  
Since this [G7] mining has be[C7]gun  
Worn-out [F] boots and [C] worn-out [F] miners [F7]  
And your [Bb] children growing [F] pale  
Keep your [F] hand upon the [Dm] dollar  
And your [F] eye [C7] upon the [F] scale.

Chorus

[F] In conclusion bear in memory [F7]  
Keep the [Bb] password in your [F] mind  
God [F] provides for every worker  
When in [G7] union they com[C7]bine  
Stand like [F] men and [C] link to[F]gether  
Victory [Bb] for you shall [F] prevail  
Keep your [F] hand upon the [Dm] dollar  
And your [F] eye [C7] upon the [F] scale

Chorus (Repeat last two lines to finish)
