

Must To Avoid Herman's Hermits

Hear this song at: <http://www.youtube.com/watch?v=y1LGkXrRXPk> (play along with capo at 2nd fret)

From: Richard G's Ukulele Songbook www.scorpex.net/Uke

Intro: [A7].....

Chorus: [D] She's [G] a [D] must to avoid

[Em] A com[A7]plete impossi[D]bility

[D] She's [G] a [D] must to avoid

Better [Em] take it from [A7] me [Em] [A7]

You'll [D] think she's a [C] prize at the [D] start

But [D] take my ad[C]vice play it [D] smart

She's [Bm] nothing but [F#m] trouble

Better [G] cut out on the [D] double

Be[Bm]fore she gets [E7] into your [A7] heart

Repeat Chorus

When you [D] stare into her [C] pretty blue [D] eyes

There's no [D] way to see through [C] her dis[D]guise

But [Bm] don't try to [F#m] love her

Cause you'll [G] quickly dis[D]cover

You're [Bm] trapped in the [E7] web of her [A7] lies

Repeat Chorus

Her [D] lips look in[C]viting it's [D] true

Lots of other guys have [C] felt like you [D] do

She'll [Bm] build up your [F#m] hopes

And when you [G] need her the [D] most

[Bm] That's when [E7] she'll say goodbye to [A7] you

Repeat Chorus

Finish [A7].....[E7]
