From: Richard G's Ukulele Songbook www.scorpex.net/Uke

Intro: [A] [E7] [A] [E7] [A]

[A] When I love [E7] I get a feeling
Like I'm [A7] travelling through the [D] sky
On the wings of a [A] nightingale [A] [E7] [A]
[A] As I ride [E7] my head is reeling
But I [A7] don't even wonder [D] why
On the wings of a [A] nightingale I'll [E7] fly

Chorus:

*[E7] High above [D] land and [E7] sea
I'll be thinking of [A] you and [F#m] me
Couldn't ask for a better place to [E7] be
[F#m] Oh I can [D] feel something happening
[F#m] Oh I can [D] feel something happening
[F#m] Oh I can [D] feel something happening to [A] me [E7]*

[A] So hold my hand [E7] I've got a feeling
That the [A7] journey has just be[D]gun
On the wings of a [A] nightingale [A] [E7] [A]
[A] And if you like [E7] we'll fly together
To the [A7] land of eternal [D] sun
On the wings of a [A] nightingale of [E7] love

Repeat chorus

[A] When I love [E7] I get a feeling
Like I'm [A] travelling through the [D] sky
[D] On the wings of a [A] nightingale
[D] On the wings of a [A] nightingale
[D] On the wings of a [A] nightingale I [E7] fl[Em7] [D]y
[D] On the wings of a [A] night[E7]in[A]gale
