[F] O [C] Peggy [F] Gor[C]don you are my [F] darling  
Come [Bb] sit you [F] down upon my [C] knee  
Come [Bb] tell to [F] me the [Bb] very [F] reason  
Why [Bb] I am [F] slighted [C] so by [F] thee  
[F] I am [C] so in [F] love [C] I can't de[F]ny it  
My [Bb] heart lies [F] smothered in my [C] breast  
It's [Bb] not for [F] you to [Bb] let the world [F] know it  
A [Bb] troubled [F] mind can [C] know no [F] rest  
[F] I [C] did put my [F] head [C] to a cask of [F] brandy  
It [Bb] was my [F] fancy I do de[C]clare  
For [Bb] when I'm [F] drinking [Bb] I am [F] thinking  
And [Bb] wishing [F] Peggy [C] Gordon was [F] here  
[F] I [C] wish I [F] was[C] away in [F] Ingo  
[Bb] Far a[F]cross the briny [C] sea  
[Bb] Sailing [F] o'er the [Bb] deepest [F] ocean  
Where [Bb] love nor [F] care never [C] bother [F] me  
[F] I [C] wish I [F] was [C] in a lonesome [F] valley  
Where [Bb] woman [F] kind cannot be [C] found  
Where the [Bb] pretty small [F] birds  
Do [Bb] change their [F] voices  
And [Bb] every [F] moment a [C] different [F] sound  
[F] O [C] Peggy [F] Gor[C]don you are my [F] darling  
Come [Bb] sit you [F] down upon my [C] knee  
Come [Bb] tell to [F] me the [Bb] very [F] reason  
Why [Bb] I am [F] slighted [C] so by [F] thee
