From: Richard G's Ukulele Songbook www.scorpexuke.com

[Em] [D] [G] [Em] [D] [G] [C]

[Em] In the [D] morning I'm [G] slow [Em] I drag a [D] chair over [G] to the win[C]dow
And [Em] I [D] watch what's going [G] on
[Em] The garbage [D] truck tiptoes [G] along the [C] road

[Em] Light a [D] candle for the [G] suffering [Em] Send my [D] best wishes [G] with the [C] wind
All our [Em] candles [D] hopes and [G] prayers
[Em] Though well [D] meaning they [G] don't mean a [C] thing

Un[Em]less we [D] see some [G] change I might [Em] change my [D] sheets to[G]day

Well [C] time is [G] money and [D] money is no man's [G] friend
And all [C] eyes on the [G] pavement I'm [D] not gonna touch ya
[D7] Don't worry so much a[C]bout it [Am]

[Em] The day be[D]gins to [G] shine [Em] The parent [D] teaches the [G] child how to [C] ride
The [Em] bike wobbles [D] side to [G] side [Em] Two dogs en[D]tangle [G] everybody [C] smiles

[Em] The pair a[D]cross the [G] street

[Em] One's up the [D] ladder and [G] one's on their [C] knees

Pain[Em]ting the [D] faded [G] brick What's the [Em] point it looks [D] fine from up [G] here

Well [C] time is [G] money and [D] money is no man's [G] friend
And all [C] eyes on the [G] pavement I'm [D] not gonna touch ya
[D7] Don't worry so much a[C]bout it

[G] I'm just [C] waiting [G] for the [C] day to [G] become [D] night [D7]

[Em] Next door the [D] kids run a[G]mok

[Em] The mother [D] screams Don't you [G] ever shut [C] up

[Em] And there's [D] one thing I [G] know [Em] The sun will [D] rise tod[G]ay and to[C]morrow
We got a [Em] long long [D] way to [G] go

Well [C] time is [G] money and [D] money is no man's [G] friend
And all [C] eyes on the [G] pavement I'm [D] not gonna touch ya
[D7] Don't worry so much a[C]bout it

[G] I'm just [C] waiting [G] for the [C] day to [G] become [D] night

And I'll [C] shine those [G] shoes and [C] mow those [G] lawns
Let's [C] get back [G] to nor[D]mal

Lay it all [C] on the [G] table you [C] seem so [G] stable

But [C] you're just [G] hanging [D] on

Let go that [C] expec[G]tation [C] change the [G] station

And [C] find out [G] what you [D] want [D7]

[Em] [D] [G] [Em] [D] [G] [C]
