From: Richard G's Ukulele Songbook www.scorpex.net/Uke

(Acapella) He blesses the boys as they stand in line
The smell of gun grease and their bayonets they shine
He's there to help them all that he can

To make them feel wanted he's a good holy [E7] man

Chorus: [A] Sky [Asus4] pi[A]lot Sky [Asus4] pi[A]lot

[Bm] How high can you [A] fly

You'll [Bm] never (never) (never) reach the [A] sky

He [Bm] smiles at the young soldiers tells [D] them it's all right

He [Bm] knows of their fear in the [D] forthcoming fight

[Bm] Soon there'll be blood and [D] many will die

[Bm] Mothers and fathers back [E7] home they will cry

He [Bm] mumbles a prayer and it [D] ends with a smile

The [Bm] order is given they [D] move down the line

But [Bm] he'll stay behind and [D] he'll meditate

But it [Bm] won't stop the bleeding [E7] or ease the hate

As the [Bm] young men move out in [D] to the battle zone

[Bm] He feels good with [D] God you're never alone

[Bm] He feels so tired and he [D] lays on his bed

Hopes the [Bm] men will find courage in the [E7] words that he said

Chorus

You're [Bm] soldiers of God you [D] must understand

[Bm] The fate of your country is [D] in your young hands

May [Bm] God give you strength do your [D] job real well

If it [Bm] all was worth it only [E7] time it will tell

In the [Bm] morning they return with [D] tears in their eyes

[Bm] The stench of death drifts [D] up to the skies

A young [Bm] soldier so ill looks [D] at the Sky Pilot

Re[Bm]members the words [E7] thou shalt not kill

Chorus x 2

Outro: You'll [Bm] never (never) (never) reach the [A] sky x 2

Chorus
