Intro: [C] [Csus4] [C] [Csus4]

[C] Baby I've been watching you [Dm] watching everything you do
And I just can't help the feeling

Someone else is stealing you a[C]way from me

I see it written in your eyes [Dm] you confirm it with your lies

Though the way that you weep can hold me

I would rather that you told me where you [C] wanna be

[F] Oo [Dm] oh slipping a[C] way from me

[F] Oo [Dm] oh slipping a[C] way from me

And it's [Dm] breaking me in two watching you slipping a[C]way

[C] Baby I've been watching you [Dm] watching everything you do
And I just can't help the feeling

Someone else is stealing you a[C]way from me

I see it written in your eyes [Dm] you confirm it with your lies

Though the way that you weep can hold me

I would rather that you told me where you [C] wanna be

[F] Oo [Dm] oh slipping a[C] way from me

[F] Oo [Dm] oh slipping a[C] way from me

And it's [Dm] breaking me in two watching you slipping a[C]way
