[C] Why does the [Bb] sky turn [G7] grey ev'ry [C] night  
[C] Sun rise a[Bb]gain in [G7] time  
[C] Why do you [Bb] think of the [G7] first love you [C] had  
[C] Some things just [Bb] stick in your [C] mind

[C] Why does the [Bb] rain fall [G7] down on the [C] earth  
[C] Why do the [Bb] clouds keep [G7] cryin'  
[C] Why do you [Bb] sleep curled [G7] up like a [C] child  
[C] Some things just [Bb] stick in your [C] mind

[C] Why when the [Bb] children [G7] grow up and [C] leave  
[C] Still remember their [Bb] nursery [G7] rhymes  
[C] Why must there [Bb] be so much [G7] hate in their [C] lives  
[C] Some things just [Bb] stick in their [C] minds  
[C] Some things just [Bb] stick in their [C] minds
