[D] [D] [D] [D] [G] Where are you going [C] I don't [D] mind  
I've [G] killed my world and I've [C] killed my [D] time  
So [G] where do I go [C] what do I [D] see  
I see [G] many people coming [C] after [D] me  
So [G] where are you going to [C] I don't [B7] mind  
If I [Em] live too [Em7] long I'm a[C]fraid I'll [G] die  
So [C] I will follow you wher[G]ever you [B7] go  
If your [Em] offered [Em7] hand is still [C] open to [G] me

**Chorus:** [B7] Strangers on this [Em] road we are [C] on  
[G] We are not [D] two we are [G] one [Gmaj7] [C] [G] [D]

[G] So you've been where [C] I've just [D] come  
[G] From the land that brings [C] losers [D] on  
So [G] we will share this [C] road we [D] walk  
And [G] mind our mouths and be[C]ware our [D] talk  
Till [G] peace we find tell you [C] what I'll [B7] do  
All the [Em] things I [Em7] own I will [C] share with [G] you  
And if I [C] feel tomorrow like I [G] feel to[B7]day  
We'll [Em] take what we [Em7] want and give the [C] rest a[G]way

## Repeat Chorus

[G] Holy man and [C] holy [D] priest  
This [G] love of life makes me [C] weak in my [D] knees  
And [G] when we get there [C] make your [D] play  
Cos [G] soon I feel you're gonna [C] carry us a[D]way  
In a [G] promised lie you [C] made us be[B7]lieve  
For [Em] many [Em7] men there is [C] so much [G] grief  
And my [C] mind is proud but it [G] aches with [B7] rage  
And if I [Em] live too [Em7] long I'm af[C]raid I'll [G] die

**Repeat Chorus x 2** (Gmaj7 between repeats, finish on G)
