From: Richard G's Ukulele Songbook [www.scorpex.net/uke.htm](http://www.scorpex.net/uke.htm)

Intro: [F] [G7] [Bb] [F] [F] [G7] [Bb] [F]

[F] Luck found me too [G7] late to [Bb] be what I could [F] use

[F] And caught me tempting [G7] fate

Still red [Bb] handed and con[F]fused

[F] Pride has sent me [G7] where there's [Bb] not much left to [F] lose

[F] Then cruelly let me [G7] care

And con[Bb]vinced me I could [F] choose

Chorus:

*[F] About [C] you.....as if [Bb] there was one small [F] chance*

*To be [C] through.....with [Bb] everything I [F] can't*

*So even if this worn-out [Bb] heart was [F] new*

*And all its foolish [C7] hopes were [F] true*

*[F] This one lifetime [Bb] just won't [F] do*

*Cause I cried enough [C7] tears.....for [F] two*

[F] [G7] [Bb] [F] [F] [G7] [Bb] [F]

[F] Dreamin only [G7] served to [Bb] take my restless [F] sleep

[F] Stealing comfort from these [G7] eyes

So [Bb] desperate for re[F]lief

[F] Fueled by empty [G7] promises they [Bb] never meant to [F] keep

[F] Leaving me with [G7] nothing more

Than [Bb] endless years to [F] weep

**Chorus** [F] [G7] [Bb] [F] [F] [G7] [Bb] [F]

**Chorus** [F] [G7] [Bb] [F] [F] [G7] [Bb] [F]
