[G] There's a train that I will ride on the [Am] day my darling calls  
It [C] won't take long to get there from [G] Indiana Falls  
[G] She might be there to meet me and [Am] be right by my side  
The [C] day I come to see her and [G] take her as my bride

[G] The last train the last [Am] train  
I'm [C] riding on and thinking things are [G] fine  
[G] The last train the last [Am] train  
I [C] hope she understands me all this [G] time

[G] Well her name is Mary Waters and she's [Am] only 17  
But her [C] eyes still hold the memories of [G] places we have seen  
[G] Her mind is like quicksilver her [Am] hair is long and gold  
And [C] all the time she wonders of the [G] things she has been told

[G] The last train the last [Am] train  
I'm [C] riding on and thinking things are [G] fine  
[G] The last train the last [Am] train  
I [C] hope she understands me all this [G] time

[Em] She don't know I'm [D] coming here today  
[Em] I don't know the [D] words I have to say  
Like I [C] love her and I'll [D] be right by her side  
If she [C] wants me and I [D] know that she'll be mine

When she's [G] gone I will remember  
The [Am] things that we have done  
And [C] hear a whispered promise to [G] wait until I've come  
[G] Though she's far away I'll hear her [Am] calling out the truth  
It [C] won't be long dear Mary un[G]til I get to you

[G] The last train the last [Am] train  
I'm [C] riding on and thinking things are [G] fine  
[G] The last train the last [Am] train  
I [C] hope she understands me all this [G] time
