Intro: [D7] [G]

[G] How long can I stay in this nowhere café

Before [D7] night turns into day

I wonder why I'm so frightened of the [G] dawn [G7]

[C] All I have and [G] all I know

Is this [D7] dream of you which keeps me living [G] on

[G] There's a moment when all old things become [D7] new again

But that moment might have come and [G] gone [G7]

[C] All I have and [G] all I know

Is this [D7] dream of you which keeps me living [G] on

I look [D7] away but I keep [G] seein' it

I don't wanna [D7] believe it but I keep be[G]lievin' it

[Dm7] Shadows [E7] dance u[Am]pon the wall

[A7] Shadows that seem to know it [D] all [D7]

Am I [G] too blind to see is my heart playing [D7] tricks on me

I'm lost in the crowd all my tears are [G] gone [G7]

[C] All I have and [G] all I know

Is this [D7] dream of you which keeps me living [G] on

Everything I [D7] touch seems to [G] disappear

Everywhere I [D7] turn you are [G] always here

[Dm7] I'll run this race [E7] until my [Am] earthly death

I'll [A7] defend this place with my [D] dying breath [D7]

From my [G] cheerless room in a curtained gloom

I saw a star from [D7] heaven fall

I turned and looked again but it was [G] gone [G7]

[C] All I have and [G] all I know

Is this [D7] dream of you which keeps me living [G] on

Coda: [D7] [G] [D7] [G] [D7] [G] [C] [G]
