Intro: [Em] [D] [C] [B7]

[Em] There's a little bird that [B7] somebody [Em] sends
[Em] Down to the earth to [Cmaj7] live on the [B7] wind
[Em] Borne on the wind and he [Cmaj7] sleeps on the wind
[Em] This little bird that [B7] somebody sends
[Em] He's light and fragile and [B7] feathered sky [Em] blue
[Em] So thin and graceful
The [Cmaj7] sun shines [B7] through
[Em] This little bird who [Cmaj7] lives on the wind
[Em] This little bird that [B7] somebody [Em] sends
[Em] He flies so [A] high up [D] in the sky
[C] Out of reach of [B7] human eye
[Em] And the only time that he [Cmaj7] touches the ground
[Em] Is when that [B7] little bird
[Em] Is when that [B7] little bird
[Em] Is when that [B7] little bird [Em] dies
