

Trace The Sun The Dunes (Matt Reiner)

Hear this song at: <https://thedunes.bandcamp.com/track/trace-the-sun> (original key B)

From: Richard G's Ukulele Songbook www.scorpexuke.com

[F] [Cm] [F] [Cm]

[F] I traced the sun 'til it was [Cm] out of view

[F] Shadows came so I [Cm] coloured and I [Bb] drew
It resembled [F] you [F]

[F] I got no albums with [Cm] you in frame

[F] So I draw the sun and [Cm] write your name in [Bb] side
And pretend it's [F] you [F]

[Dm] Gone are those [Am] hazy days

[Bb] These drawn co[F]mmuniques

[Dm] Preserve and [Am] capture true

[Bb] Something of [C] you

[F] Where you were [Cm] what you said

[F] I recall I re[Cm]member in my [Bb] head

All these things about [F] you [F]

[F] I often think and [Cm] I wonder

[F] Do you trace the sun and [Cm] do you draw and [Bb] see
A picture of [F] me

[Dm] Gone are those [Am] hazy days

[Bb] These drawn co[F]mmuniques

[Dm] Preserve and [Am] capture true

[Bb] Something of [C] you

[F] [Cm] [F] [Cm] [Bb] [Bb] [F] [F]

[Dm] Gone are those [Am] hazy days

[Bb] These drawn co[F]mmuniques

[Dm] Preserve and [Am] capture true

[Bb] Something of [C] you [F] [Cm] [F] [Cm] [F!]
