[Dm] People they say you get just what you ask for
Others they tell you look [A7]out what you dream
[Dm] Don't you go givin' this boy no trouble
He got trouble and [Gm7] trouble [Am] some [Dm] more
[Dm] He got one cheating heart passed on down the old line
From a daddy who told only [A7] long-tongued lies
[Dm] Clapped out old car won't go over 90
He got trouble and [Gm7] trouble [Am] some [Dm] more
[Dm] He got ways to fall down and blood on the corners
And ten different ways to [A7] walk a straight mile
[Dm] Nobody's fool but nobody's laughing
He got trouble and [Gm7] trouble [Am] some [Dm] more
[Dm] Crooked smile he picked up from his mother
She used to stay out late and [A7] never say why
[Dm] Now she stays home and smile she don't bother
Crying trouble [Gm7] trouble [Am] some [Dm] more
[Dm] Bottles all gone the bones ain't worth rolling
Luck she wears a black dress [A7] there by the door
The [Dm] lady's not blind but she ain't been behaving
There's trouble and [Gm7] trouble [Am] some [Dm] more
[Dm] He got ways to fall down and blood on the corners
And ten different ways to [A7] walk a straight mile
The [Dm] wings on his back are tied down by the monkey
He got trouble and [Gm7] trouble [Am] some [Dm] more
