Intro: [C#*] [C*] [C#*] [C*]

[C*] I awoke to [Gm7] day and found the frost perched on the [C*] town
It [Gm7] hovered in a [C*] frozen sky [Gm7] and it gobbled summer [C*] down
[F] When the sun turns [Eb] traitor cold

And [F] all the trees are [Eb] shivering in a [G] naked row [G7]

I [C] get the urge for [Bb] going but I never seem to [C] go

I [Bb] get the [F] urge for [C] going

When [Bb] the meadow [F] grass is [C] turning brown

[Bb] Summer [F] time is [C] falling down and winter's [Gm7] closing [C*] in

I [C*] had me a man in [Gm7] summertime he had summer coloured [C*] skin

And [Gm7] not another [C*] girl in town [Gm7] my darling's heart could [C*] win

But [F] when the leaves fell [Eb] on the ground

And [F] bully winds came a [Eb] round pushed them face down [G] in the snow [G7]

He [C] got the urge for [Bb] going I had to let him [C] go

He [Bb] got the [F] urge for [C] going

When the [Bb] meadow [F] grass was [C] turning brown

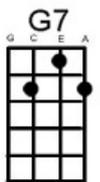

And [Bb] summer [F] time was [C] falling down and winter's [Gm7] closing [C*] in

Now the [C*] warriors of [Gm7] winter they give a cold triumphant [C] shout

And [Gm7] all that stays is [C] dying all that [Gm7] lives is getting [C] out

[F] See the geese in [Eb] chevron flight

[F] Flapping and a [Eb] racin on be [G] fore the snow [G7]

They [C] got the urge for [Bb] going they've got the wings so [C] they can go

They [Bb] get the [F] urge for [C] going

When the [Bb] meadow [F] grass is [C] turning brown

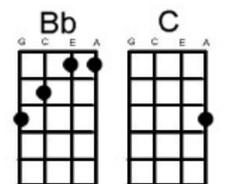

[Bb] Summer [F] time is [C] falling down and winter's [Gm7] closing [C*] in [C#*] [C*]

[C*] I'll ply the fire with [Gm7] kindling I'll pull the blankets up to my [C*] chin

[Gm7] I'll lock the vagrant [C*] winter out [Gm7] I'll bolt my wandering [C*] in

I'd [F] like to call back [Eb] summer time

[F] Have her stay for [Eb] just another [G] month or so [G7]

But she's [C] got the urge for [Bb] going so I guess she'll have to [C] go

She [Bb] gets the [F] urge for [C] going

When the [Bb] meadow [F] grass is [C] turning brown

And [Bb] all her [F] empire's [C] falling down winter's [Gm7] closing [C] in

And I [Bb] get the [F] urge for [C] going

When the [Bb] meadow [F] grass is [C] turning brown

And [Bb] summer [F] time is [C*] falling down.....[C#*] [C*] [C#*] [C*]
