Intro: [G] [C] [G] [C]

Oh I'd [G] rather go and [C] journey
Where the [G] diamond crests are [C] glowin'
And [G] run across the [C] valley
Be[G]neath the sacred [C] mountain
And [D] wander through the forest
Where the [C] trees have leaves of prisms
And break the light in colours
That [D] no one knows the [G] names of [C] [G] [C]

And [G] when it's time I'll [C] go and wait
Be[G]side a legen[C]dary fountain
[G] Till I see your [C] form reflected
[G] In its clear and [C] jewelled waters
And [D] if you think I'm ready
You may [C] lead me to the castle
Where the rivers of our vision
Flow [D] into one a[G]nother [C] [G] [C]
[D].....[G] [C] [G] [C]

[G] I will want to [C] dive beneath
The [G] white cascading [C] waters
She may [G] beg she may [C] plead
She may [G] argue with her [C] logic
And [D] mention all the things I lose
That [C] really have no value
In the end she will surely know
I [D] wasn't born to [G] follow [C] [G] [C] [G] [C] [G]
