[F] Way out west where the rain don't fall
Got a job with a company drilling for oil
Just to [Gm7] make some [C7] bread
[Gm7] Living and a [C7] working on the [F] land

[F] I quit my job and I left my wife I headed out west for a brand new life
Just to [Gm7] get away [C7]
[Gm7] Living and a [C7] working on the [F] land

[F] They give you a house made of fibro cement
You don't need no money cause you don't have no rent
There it's [Gm7] oh so [C7] cheap
[Gm7] Living and a [C7] working on the [F] land

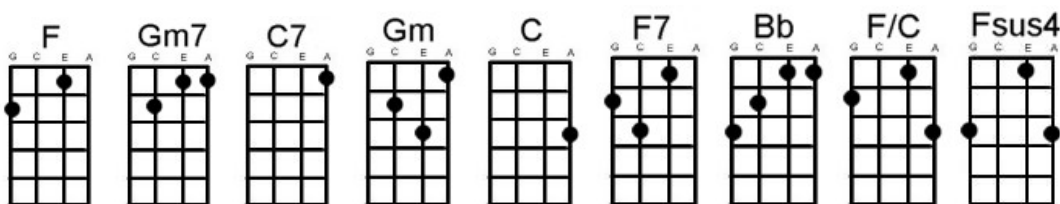

[F] The work is hard but the pay is good and I'd take me a rest if I only could
Cause it's [Gm7] hot out [C7] here [Gm7]
Living and a [C] working on the [F] land

[Bb] What a change it's [Gm] been from [F] working that nine to five [F7]
[Bb] How strange it's [Gm] been
At [C] last I get the feeling that I'm [C7] really alive

[F] There's nothing much to do on a Saturday night
But get into some booze or maybe a fight
Cause it's [Gm7] tough out [C7] here
[Gm7] Living and a [C7] working on the [F] land

[F] Way out west where the rain don't fall
Got a job with the company drilling for oil
And I ain't [Gm7] gonna [C7] leave
[Gm7] Living and a [C7] working on the [F] land

[F] La la La la La la La la La la la La la La la
La la [Gm7] La la [C7] la [Gm7] living and a [C7] working on the [F] land

To get something like the guitar effect, play F/C in the verse and rock back and forth between F/C and Fsus4
