From: Richard G's Ukulele Songbook [www.scorpex.net/uke.htm](http://www.scorpex.net/uke.htm)

[F] You'll hear my [C7] voice on the [F] wind 'cross the [Am] sand  
[Bb] If you should re[F]turn

To that black barren land that bears the [C7] name of Xana[F]du  
[Bbm6] [F] [Bbm6] [F] [Bbm6] [F] [C7]

[F] Cursed without [C7] hope was the [F] love that I [Am] sought  
[Bb] Lost from the [F] start

Was the duel that was s'posed to win her [C7] heart in Xana[F]du  
[Bbm6] [F] [Bbm6] [F] [Bbm6] [F]

And the [C] foot prints leave no traces

Only [Bb] shadows move in places where we [F] used to go

And the [C] buildings open to the sky

All [Bb] echo in the vultures cry as [F] if to show [F7]

Our [Bb] love was for a [C7] day then [F] doomed to pass a[Bb]way

In Xana[F]du [Bbm6] In Xana[F]du [Bbm6]

In Xana[F]du [Bbm6] [F] [Bbm6] [F] [Bbm6] [F] [C7]

(Spoken)

[F] What was it to you that a man laid down his [C7] life for your love

[F] Were those clear eyes of yours ever filled

With the [Am] pain and the tears and the grief

Did you [Bb] ever give yourself to any one man

In this whole wide [F] world

Or did you love me and will you find your way [C7] back one day to

Xana[F]du [Bbm6] [F] [Bbm6] [F] [Bbm6] [F] [C7]

[F] You'll hear my [C7] voice on the [F] wind 'cross the [Am] sand

[Bb] If you should re[F]turn

To that black barren land that bears the [C7] name of Xana[F]du

[Bbm6] [F] [Bbm6] [F] [Bbm6] [F]

Xana[F]du [Bbm6] In Xana[F]du [Bbm6]

In Xana[F]du [Bbm6] [F] [Bbm6] [F] [Bbm6] [F]

Note: Whips and trumpets can be added at performer's discretion!
