[F] You're on the phone with your girlfriend she's up [C] set
She's going off about something that you [Gm] said
She doesn't get your humour like [Bb] I do
[F] I'm in the room it's a typical Tuesday [C] night
I'm listening to the kind of music she doesn't [Gm] like
And she'll never know your story like [Bb] I do

Chorus:

*But [Gm] she wears short skirts [Bb] I wear T-shirts
[F] She's cheer captain and [C] I'm on the bleachers
[Gm] Dreaming about the day when you [Bb] wake up and find
That what you're [C] looking for has been here the whole time
If you could [F] see that I'm the one who understands you
[C] Been here all along so why can't you [Gm] see
You belong with [Bb] me you belong with [F] me*

[F] Walkin' the streets with you and your worn out [C] jeans
I can't help thinking this is how it ought to [Gm] be
Laughing on a park bench thinking to my [Bb] self hey isn't this easy
And [F] you've got a smile that could light up this whole [C] town
I haven't seen it in a while since she brought you [Gm] down
You say you're fine I know you better than that
[Bb] Hey whatcha doing with a girl like that

*Chorus First line: [Gm] She wears high heels [Bb] I wear sneakers
Last line: You belong with [Bb] me*

[F] Standing by and waiting at your back door
[C] All this time how could you not know ba [Gm] by
You belong with [Bb] me you belong with [F] me [F] [C] [Gm] [Bb]
Oh I remember you [Gm] drivin' to my house in the [Bb] middle of the night
I'm the [F] one who makes you laugh when you [C] know you're about to cry
And I [Gm] know your favourite songs and you [Bb] tell me about your dreams
Think I [F] know where you belong think I [C] know it's with me

Can't you [F] see that I'm the one who understands you
[C] Been here all along so why can't you [Gm] see you belong with [Bb] me

[F] Standing by and waiting at your back door
[C] All this time how could you not know ba [Gm] by
You belong with [Bb] me you belong with [F] me
You belong with [C] me have you ever thought just may [Gm] be
You belong with [Bb] me you belong with [F] me
