Intro: Riff over [D] A3A2E3A0 x 6

[D] Friday night I crashed your party Saturday I said I'm sorry
Sunday came and trashed me out a[A]gain
I was [Em] only having fun wasn't [C] hurting anyone
And we [A] all enjoyed the weekend for a [D] change (riff x 2)
[D] I've been stranded in the combat zone
I walked through Bedford Stuy alone
Even rode my motorcycle in the [A] rain
And you [Em] told me not to drive but I [C] made it home alive
So you [A] said that only proves that I'm in[D]sane

Chorus: *You may be [A] right I may be [D] crazy
But it [A] just may be a [G] lunatic you're [Bm] looking for [D]
Turn out the [A] light don't try to [D] save me
You may be [G] wrong for all I [A] know but you may be [D] right (riff x 4)*

[D] Remember how I found you there alone in your electric chair
I told you dirty jokes until you [A] smiled
You were [Em] lonely for a man I said [C] take me as I am
'Cause you [A] might enjoy some madness for a [D] while (riff x2)

[D] Now think of all the years you tried to find someone to satisfy you
I might be as crazy as you [A] say
If I'm [Em] crazy then it's true that it's [C] all because of you
And you [A] wouldn't want me any other [D] way

You may be [A] right I may be [D] crazy
But it [A] just may be a [G] lunatic you're [Bm] looking for [D]
It's too late to [A] fight it's too late to [D] change me
You may be [G] wrong for all I [A] know but you may be [D] right (riff x 2)

Instrumental – follow verse chords

Repeat Chorus

Outro: Riff over [D] You may be wrong but you may be right x 4
